# Town has its own Monopoly

**THE Northampton edition of Monopoly is now available to buy following an official launch event at Althorp House.**

The game was revealed for the first time by Sophie Cardwell, aged 13, who won the *Chronicle & Echo* competition on 'Why I Love Northampton'.

Shops that have confirmed they will stock the new Monopoly include Debenhams, HMV, Tesco, Toys R Us, Waterstone's and WH Smith, and the game will also be available to buy online.

The board's creator, Mark Marriott, said: "The game is a celebration of Northampton and we would like to thank everyone for their input. We are sure this unique official edition will prove a perfect Christmas gift."

Following a public vote, Althorp House was chosen as the place to occupy the top-priced Mayfair spot on the board.

House manager at Althorp, Clare Roberts, said: "We feel privileged to occupy the coveted Mayfair space and would like to thank everyone who voted for us."

"I appreciate that Althorp is

over 500 years old, but I never thought we'd be up for sale for only £400!"

"But it's great to welcome the new Northampton version of Monopoly."

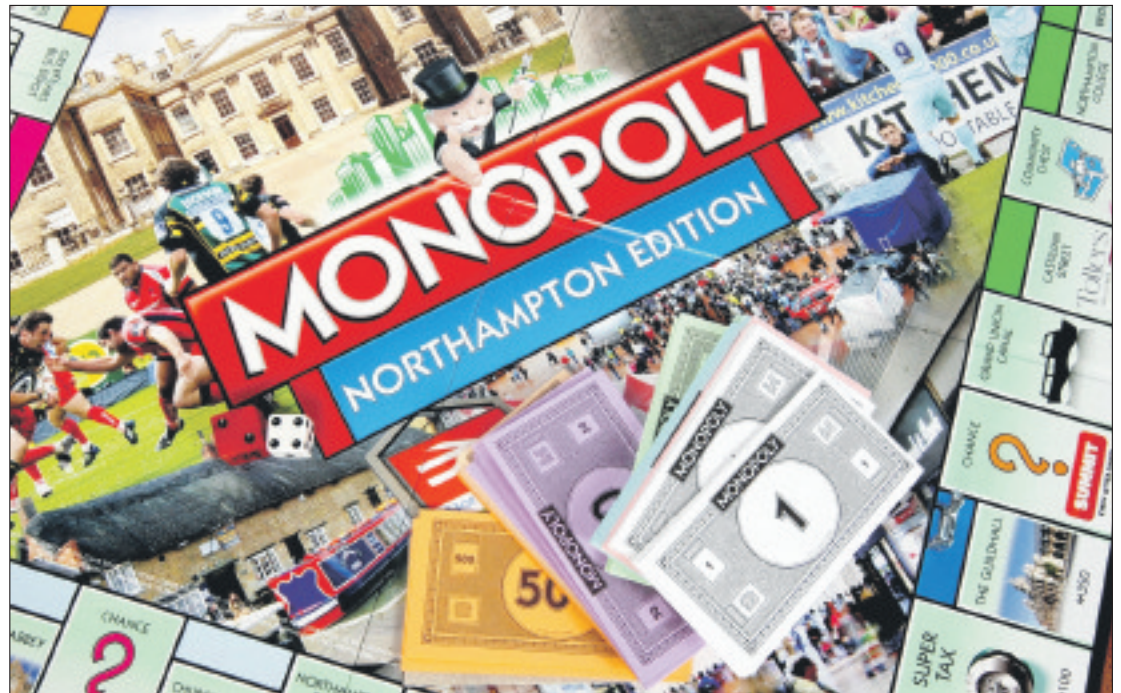

The next highest slot on the board, occupying the Park Lane site of the original game, is The Guildhall, which is priced at £350.

The National Lift Tower has been chosen for the Old Kent Road space and Abington Park is a controversial choice for the Whitechapel Road slot.

To replace the train station sites on the board, the Northampton edition has Greyfriars Bus Depot, Northampton Railway Station, River Nene and the Grand Union Canal.

The rest of the board is occupied by other town landmarks, businesses and organisations including the Church of the Holy Sepulchre, Delapre Abbey, Sixfields Stadium, Franklin's Gardens and the Grosvenor Shopping Centre.

The creators of the Northampton edition have also changed the wording of the Community Chest and Chance cards so that they are more applicable to the town.

**PERFORMANCES** from music students, a brass band and a peculiar piece involving three vacuum cleaners and a floor polisher were among the highlights of this year's Arnold Festival.

The festival, which is in its fourth year, was held on Saturday and Sunday and once again paid tribute to one of Northampton's most famous knights, Sir Malcolm Arnold.

Sir Malcolm penned 132 different film scores, including director David Lean's *The Bridge On The River Kwai*, for which he won an Oscar, and Bryan Forbes's *Whistle Down The Wind*.

The festival was first organised in 2006 to mark Sir Malcolm's 85th birthday, however, he died just two weeks before the festival started.

Nevertheless, Paul Harris, artistic director of the festival, said his spirit was alive and well across Northampton at the weekend.

He said: "It has been brilliant. The thing about Malcolm Arnold was that he wrote music for the people - he wrote things that people would enjoy."

"He also wrote an awful lot of music for young people."

"And the great thing about the Arnold Festival is that we are able to play a lot of music that people will enjoy and we can involve an awful lot of young people."

On Saturday morning, the festival was launched by distinguished British composer John McCabe, who judged the festival's first student composition competition.

The festival then moved to St Matthew's Church, in Kettering Road, Northampton, on Saturday night, for a concert which featured a further selection of Sir Malcolm's works.

The concert was especially poignant as Sir Malcolm learned to play the organ and played trumpet at the church.

Then, on Sunday afternoon, at the Royal & Derngate, the Ipswich and Co-op Band performed one of Sir Malcolm's more unusual pieces, called *A Grand, Grant Overture*.

The composition famously requires the use of three vacuum cleaners and a floor polisher and, for this performance, featured Sir Malcolm's son-in-law Adrian Harris, and the Royal & Derngate's chief executive, Martin Sutherland.

The festival was then rounded off in spectacular style on Sunday night with a special gala concert featuring the Malcolm Arnold Festival Orchestra.

# Warning after pet cat is shot

**A CAT-LOVER from Northampton is warning other owners to be vigilant after one of her pets was shot with an air rifle.**

Sarah Cox, who lives with her husband Steve in Wootton Fields, was shocked when eight-year-old grey tabby Millie limped into the house on Saturday afternoon with a swollen, misshapen front leg.

After a visit to the vets, it emerged she had been shot and the pellet had fractured her leg.

She had to undergo an operation to remove the pellet.

Although Millie has now returned home, Mr and Mrs Cox face an anxious wait to find out if further surgery will be required to fix the fracture.

Mrs Cox, aged 44, said: "Millie was with us until quite late on Friday night and then we didn't see her again until she came in injured on Saturday afternoon.

"The pellet went right through her leg but didn't come out the other side and fractured it quite badly.

"It's in a splint at the moment and we're having to keep her in a cage to keep her still, but we're still waiting to find out if they will need to operate or put it in a cast.

"Everyone says it must have been kids. They must have been quite close when they shot her to do the damage they did.

"We are lucky it was only

■ Millie in the arms of owner, Sarah Cox, and (inset) after the operation  
CE picture by DAVE IKIN

her leg and I'm just glad she managed to get home. It could have been a lot worse."

Mr and Mrs Cox have two cats - Millie and five-year-old Treacle.

Mrs Cox said: "They're a bit like children.

"I've warned my neighbours who also have cats to keep an eye out and I want to make other people aware and would ask if they see anything suspicious that they tell the police."

# Town needs your help

AS a result of Northampton's victory in this year's East Midlands In Bloom contest, the town is now in the running to be crowned Best of British.

It is the first time Northampton has been put forward for the national competition and the *Chronicle & Echo* is celebrating the achievement by launching a campaign to get everyone to do their bit to help ensure the judges are

left impressed by the town's efforts.

Cllr Trini Crake, Northampton Borough Council cabinet member for the environment, said: "If every person in Northampton planted just one flower, that would be over 200,000 bursts of colour to see – the public should be very proud about our national nomination and I am looking forward to what we can achieve."

CE picture by SHARON LUCEY 091026SL2

**THE people who helped Northampton win the gold medal award in the East Midlands In Bloom competition have been officially thanked during a special ceremony in the Mayor's Parlour at the Guildhall.**

Last month, the town was honoured for its well-kept parks, green spaces, allotments and community gardens and high standard of floral displays.

Bradlaugh Fields was given the Countryside Companions Award for the Best Wildflower and Conservation Area and the town centre was congratulated on its smart street furniture and low levels of litter.

Other organisations which received awards were Bridgewater Primary School, St Andrew's Hospital, Spinney Hill Public House, Shoosmiths Solicitors, Spring Boroughs Residents' Association and Northampton Borough Council's parks and garden staff.

Councillor Michael Hill, Mayor of Northampton, who presented the winners with their awards, said: "It is always good when the town wins a major award of this nature."

"Winning the gold award is an impressive achievement and shows a great deal of hard work has been done by our council staff and by the owners and staff of our schools and commercial organisations."

Co-owner of The Spinney Hill pub Grace Murison, who won a silver award for her well-kept gardens, said: "I'm absolutely astonished and really chuffed to win the award. It makes all the hard work really worthwhile."

Grounds manager of St Andrew's Hospital David Harrison, who won the judges' award for landscape maintenance, said: "I'm chuffed to bits. The ground staff team work really hard and we came up with some new planting schemes this year."

After winning the East Midlands category, Northampton will now be registered in the national Britain In Bloom competition next year.

Councillor Trini Crake, Northampton Borough Council cabinet member for the environment, who also attended the event, said: "I have to say that the town looked lovely this summer and getting gold in the East Midlands In Bloom competition was a great honour for our town."

"I hope we all work together again for next year's entry."

# Trip to Number 10

A MEMBER of Northampton's Indian Hindu Welfare Organisation (IHWO) was invited to 10 Downing Street for the first ever Diwali celebration with the Prime Minister.

Organisation chairwoman Neelam Aggarwal (pictured), went to the event with Labour MP Sally Keeble, (Northampton North).

Mrs Aggarwal said: "I was given the opportunity to present Gordon Brown with a Diwali card on behalf of all the communities in Northampton. It is great to see that the Government at the very highest level recognises Hindus and the contribution we make to

this country."

MP Sally Keeble said: "The Diwali festival is a popular fixture in the religious and cultural life of Northampton, and the Hindu community has gone out of its way to include everyone in its celebrations."

Prime Minister Gordon Brown invited hundreds of people to the event. During his speech he said: "I look forward to having Diwali at Downing Street every year."

"We can celebrate your contribution to the success of our country and to the relations between Britain and India."

Diwali signifies the triumph of light over darkness.

## Runners help raise thousands

RUNNERS and walkers from Northamptonshire laced up their trainers to raise thousands of pounds for a cancer charity.

More than 70 people were at the starting line for the annual Brixworth Stride and Run.

Runners arrived at Brixworth Country Park at about 10am for a lively warm-up. They then

headed off around the picturesque seven-mile course around Pitsford Water reservoir.

The event was organised to raise money and awareness of breast cancer, with all the proceeds going to Cancer Research UK.

The Brixworth Stride and Run, formerly Brixworth Stride, is

now in its fourth year and changed its name this year to reflect the fact that it is open to runners and joggers as well as those walking.

In the past three years, the event, sponsored by Barclaycard, has raised more than £30,000. Last year the walk raised £7,000 for breast cancer research.

## Flying high

NORTHAMPTON-SHIRE'S air ambulance has completed its 8,000th life-saving mission.

The air ambulance has taken just six years to notch up 8,000 missions since its launch in October 2003 – meaning it has been called to an average of four missions every day.

The landmark emergency call was to a road accident near Nuneaton in which a 36-year-old man received chest injuries.

# Tree for a loyal lady

A TREE has been planted in memory of a councillor who lost her battle with cancer last year.

The ceremony was held on Saturday in memory of Councillor Liz Tavener who died on November 21, aged 63.

The idea to plant the tree on the corner of Berrywood Road and Main Road in Duston came from the Duston Young Firefighters, as they wanted to do something in memory of Liz to recognise her support for the scheme and young people in the area.

Members of Councillor Tavener's family attended the ceremony to see the tree being planted and her two grandchildren,

Katherine and Christopher, released balloons in her memory.

Husband, Rick, aged 65, said: "I am still soldiering on, you do need people to talk to now and again. I miss her company more than anything, after 42 years, there's a big gap."

■ Councillor Liz Tavener

As well as serving on Duston Parish Council, Councillor Tavener also represented the area on Northampton Borough Council and Northamptonshire County Council.

Mr Tavener said he was delighted to hear the Duston Young Firefighters wanted to plant the tree in memory of Liz, adding: "The Young Firefighters was one of Liz's babies, she was always concerned with kids."

"In the modern world, things do not last long, but hopefully a tree will. I owe a big thank you to them, they were a big part of Liz's life."

Liz worked tirelessly on issues surrounding young people and solutions to anti-social behaviour and championed the Young Firefighter scheme, which began in 2006.

■ Representatives of the Royal British Legion launch the annual Poppy Appeal at the Sixfields Stadium, home of Northampton Town  
CE picture by DAVE IKIN

# Stars back Poppy drive

**COBBLERS** stars have backed Northamptonshire's Poppy Appeal as the Royal British Legion launched this year's drive with a pledge to show the charity's "younger face".

With thousands of servicemen and women still serving in Afghanistan, this year's appeal will again be targeting the county's younger generation.

Michael Shipton, county chairman of Northamptonshire Royal British Legion, said the charity was under more pressure than ever to help young ex-servicemen returning from conflict.

He said this year it will attempt to shed its image of a charity which simply helps older people.

Mr Shipton said: "We have lots of younger lads and lasses in Afghanistan and, across the country, we are hoping to raise £31 million.

"We have an appearance of a charity that helps the older generation. But actually, we had 2,000 welfare cases in the county last year and they came from a number of generations. Many were very young."

Cobblers players Dean Beckwith, Simon Brown, Chris Dunn and Ryan Gilligan all helped launch the appeal in front of the Walter Tull memorial, outside Sixfields Stadium.

Last year, the Poppy Appeal in Northamptonshire raised £365,000 and this year organisers are hoping to smash the £500,000 mark.

Giles Coleman, community fundraiser for Northamptonshire, said the need to help former servicemen settle back into civilian life was greater than ever.

He said: "There are now more ex-servicemen in prison than there are currently in Afghanistan; and one in four people who are sleeping rough on the streets of London, is an ex-serviceman."

"The recent conflicts have brought the British Legion to the fore and we need to get the younger face of the charity across."

David Cardoza, chairman of the Cobblers, said the memorial to the first black officer in the British Army and a pioneer for black footballers was a fitting place for the launch.

He said: "We are delighted to help."

# Local Home Improvement Company lead from the front with new Energy Saving Products

The Home Improvement industry has for many years been developing ever more energy efficient products for a demanding consumer market place. One of the biggest household names in the industry 'Pilkington' have just launched K GLASS OW - with enhanced solar gain and brighter appearance enabling customers to achieve the maximum levels of heat retention and fuel savings.

Local company Homesure have just become the first local installers to be official Pilkington energiKare Window Partners. John Connolly (pictured) Managing Director of Homesure said 'Last year I visited all the trade shows and listened closely to the things that my customers were asking for and realised that it was vital we pioneered the new energy efficient windows available from the manufacturers. In January of this year we took the lead and made energy rated windows available across our range of products. The results have been astonishing and I am pleased to say we are now breaking sales records for replacement windows and doors. I am very proud of the ways in which Homesure have led the local industry with driving prices down and giving customers the fairest deal.

We were the first company to openly have our prices displayed on our adverts and also the leading company to have a full service available on our website where customers can obtain an accurate quotation for windows and doors in the comfort of their own home. Being the first local company to be a Pilkington energiKare partner is another great step forward. "

Homesure are no strangers to being pioneers in the home improvement market. Having been the first local company to openly display their prices in newspaper advertisements, they have now launched an easy to use website where customers can get an instant online quote. Visit [www.onlinewindowquotes.co.uk](http://www.onlinewindowquotes.co.uk)

Homesure are committed to providing the most energy efficient products for all our customers

## Homesure Customers Reduce Energy Loss by 90%

You've probably heard that the amount of energy we waste in our homes is directly linked to climate change. You'll definitely have noticed the ever increasing cost of energy for heating your home. But did you know that the type of glass you use in your windows can help your home be more energy efficient?

By using Pilkington energiKare™ in your windows you will:

- Improve the energy efficiency of your home
- Save money on your heating bills
- Become more environmentally friendly!

Simply using Pilkington energiKare™ as the double glazing unit in your windows reduces the amount of energy lost through the windows by 80%! Homesure are the first Pilkington energiKare™ approved installer in the area and install this fantastic new glass with all its window range, ensuring every Homesure customer has the maximum benefits from replacement windows. Homesure have achieved a British Fenestration Rating Council (BFRC) Window Energy Rating on it's product range of windows and doors and are still able to offer the very best deals around for local customers who are looking to achieve the best levels of energy savings whilst still choosing the most stylish designs available. Windows provide light and beauty into a home, unfortunately they can also be a major source of energy loss in our homes requiring increased energy from boilers and radiators to replace that heat which is lost; this results in an overall increased energy bill for the home.

Pilkington energiKare™ has been developed to prevent energy loss through their latest energy efficient glazing product. This energy efficient glazing not only returns heat back into the home greatly reducing heat loss, but it also maximises energy gain from a free energy source - solar energy. This makes Pilkington energiKare™ a leader in energy efficient glazing.

Homesure have for many years been the areas most popular choice for Home improvements. Managing Director John Connolly said "I always try and put myself in the shoes of my customers. I know I would want to have the very best and latest products on the market available to me at a reasonable and fair price. That is why I always make sure that Homesure is the first company to offer our customers products fitted as standard that make their new windows not only look great, but reduce fuel consumption and save as much money as possible. We have samples of the new energy efficient products for customers to view in our newly refurbished showroom. I invite customers to come along and join me for a cup of coffee and discuss any new windows, doors or even a conservatory they may be considering. I would be pleased to show them around."

## Take A Look At The Benefits Of Pilkington energiKare

Installing windows containing Pilkington energiKare™ double glazed units provides you with many benefits:

- Improves the energy efficiency of your home
- Reduces the amount of energy you use
- Saves you money on your heating
- More effective than single glazing or standard double glazing
- Provides you with the reassurance of Pilkington quality
- Manufactured to the highest European quality standards
- Available from Homesure in the area

## SHOWROOM OPENING HOURS

**Weekdays: 9.00am - 6.30pm**  
**Weekends: 10.00am - 4.00pm**

## New Trading Standards regulations protects YOU too

New regulations came into force in October 2008 to protect consumers who may have felt pressured into placing an order for home improvements and wish to re consider the contract. There can be many reasons why a decision may not seem as wise after a nights sleep. Especially one involving large amounts of money or non repeatable special offers. **Sounds Familiar?**

As one of the leading home improvement companies in the area, Homesure have launched a transparent pricing website. A simple to use, no details required, online quotation service. This enables homeowners to obtain reassurance and a comparative quote for their peace of mind.

Homesure would be delighted to offer assistance.

## The Homesure Quote Clinic and Showroom

John Connolly, Homesure Managing Director says - "when I set up the business with my wife Susan in 1991, I was determined to provide a warm and welcoming way of doing business with local people. We set out a few simple guidelines that would ensure that it is always a pleasure to do business with us. No dubious sales techniques, false promises or underhand tactics, just straight forward *good deals, a great product for a fair price.* I am really proud to say, that over the many years that we have been doing business locally, our initial principals have not changed. I am convinced that the 15 to 20 new customers that choose us every week from Milton Keynes, Aylesbury, Bedford and the surrounding areas, do so because they appreciate the effort, dedication and commitment that all my staff put into making sure everything goes well from initial quotation to installation. We have now helped improve many, many thousands of homes around the area and look forward to maintaining our position as a *most recommended local company* who respect and cherish our customers. Therefore, I would like to invite you to have a **FREE NO OBLIGATION QUOTATION** or to visit our **QUOTE CLINIC**. Bring your window sizes, styles and maybe a photo to us for on the spot advice, design and quotation, you can see for yourself our range of products and finishes. This makes it easier for you to avoid the misfield of wasted evenings and high pressure sales techniques, and why so many people are saying 'We are glad we chose Homesure'. So be my guest, pop in for a coffee and a chat and some good old fashioned friendly service."

# Hospital signs pledge

NORTHAMPTON General Hospital's chief executive Paul Forden has signed a special Skills Pledge to show the hospital's commitment to learning.

The pledge aims to help NGH staff gain skills and qualifications that will help them throughout their career, including literacy and numeracy skills.

Mr Forden said: "Committing

to the Skills Pledge is our way of demonstrating that our most valued resource is our staff. It is about ensuring we have the right skills in place to deliver excellent patient care."

After the signing, NGH staff were able to talk to in-house training experts and support agencies about all sources of funding and training available.

## Debt Problems Solved

If you can't afford to repay all your debts you may qualify for a little known and almost unbelievable solution. If you qualify you will only have to repay what you can comfortably afford. This will cover our fee and some of your debt, the rest (including all the interest) will be written off. If you have debts over £15,000 and a regular household income you may qualify to take advantage of this government legislation to clear your debts.

#### Environment Agency

Advertisement of an application for an environmental permit under the Environmental Permitting (England and Wales) Regulations 2007  
Name of applicant: Anglian Water Services Ltd  
Application number: EAEPRKP3734GJA001  
Type of regulated facility: Combustion  
Address of regulated facility: Combined Heat & Power Plant, Great Billing WwTW, Crow Lane, Northampton, Northamptonshire, NN3 9BX  
The Environment Agency has received an application for an Environmental Permit under the Regulations from Anglian Water Services Ltd. The application contains a description of the installation; the materials, substances and energy it will use and generate; the conditions of its site; the source, nature and quantity of its foreseeable emissions and their significant effects on the environment; the proposed techniques for preventing, reducing, and monitoring its emissions and preventing and recovering waste; and an outline of the main alternatives, if any, considered. This information is held in registers at the following locations: Northampton Borough Council, The Guildall, St Giles Square, Northampton, NN1 1DE and Kingfisher House, Goldhay Way, Orton Goldhay, Peterborough, PE2 5ZR.

You can inspect these registers free of charge during normal office hours (9am-5pm, Monday to Friday). You may obtain a copy of documents on the register. A charge may be made to cover the costs of copying. The Environment Agency must decide whether to grant or refuse the application. If it grants the application, it must decide what conditions should be included in the permit. Any comments should be made in writing by 20 working days from the date of the advertisement's publication to The Environment Agency, Permitting Support Centre, PO Box 4209, Sheffield, S9 9BS. Guidance on decision-making under the Regulations can be found at [www.environment-agency.gov.uk](http://www.environment-agency.gov.uk). This guidance explains what factors are relevant to our determination. Please note that any comments we receive must normally be placed on the public register. If you do not want your representation to appear on the public register, you should make a request to this effect.

## ChipsAway benefits from high profile ad campaign

A LOCAL business is reaping the benefits of a high profile TV advertising campaign and is gearing up for the autumn as the UK's leading automotive paintwork repair specialist.

ChipsAway extends its on-air exposure to Dave, the hugely popular entertainment channel.

"It's amazing the impact that appearing on television can have on your business," said Northampton-based Paul Smith of ChipsAway.

"The message that keeping your car paintwork in good repair needn't cost a fortune and can be done quickly and conveniently is a powerful one, particularly during a credit crunch. Advertising on national TV has certainly helped spread the word!"

The pilot TV advertising campaign by leading automotive paintwork repairers ChipsAway ran on a number of digital channels earlier in the year and generated immediate response UK wide, with ChipsAway's National Call Centre inundated with enquiries. During the summer there were more than 32,000 enquiries nationwide.

Paul's local ChipsAway business is part of a national network of highly trained technicians, providing top quality repairs to minor paintwork damage in a matter of hours and at a fraction of the cost of a traditional body shop repair.

"Keeping your car in good shape

makes good sense; extending its life and improving its resale value," said Paul. "Our unique

ChipsAway system can repair minor automotive paintwork damage such as scratches, bumper

scuffs and small dents, and thanks to Dave, more motorists than ever will now be in the know!"

ChipsAway's autumn TV campaign will start at the end of September.

## Town face Fleetwood in FA Cup

THE Cobblers will play Blue Square North side Fleetwood Town in the first round of the FA Cup next month.

Fleetwood were surprise 3-1 winners over Blue Square Premier outfit Kidderminster Harriers in their replay on Tuesday night, the two sides having drawn 0-0 at Aggborough last weekend.

Former Kettering Town striker Gareth Seddon scored twice to seal the win for Fleetwood, who currently sit sixth in the same division as Cobblers' county rivals Corby Town.

The game will take place at Sixfields on Saturday, November 7 (ko 3pm).

Meanwhile, Andy Holt says the decision by Ian Sampson to name Malcolm Crosby as his assistant manager was nothing less than 'a stroke of genius'.

And the winger feels the duo's relocation of training to Stowe School has also played a huge part in the team's recent upturn in form.

Sampson and Crosby's 'good cop-bad cop' management style has steered the team to six games without loss and revived talk of a promotion campaign at Sixfields.

According to the

players, a crucial ingredient in their success has been an overhaul of training, from methods to location.

"It's been an incredible turnaround from where we were and I think a lot of it is about belief," he said.

"We're playing as a team and we're enjoying training, that makes a massive difference - we all come in with a smile on our face now.

"Bringing in Croz (Malcolm Crosby) has been a stroke of genius. He's brilliant and he works so well with Sammo.

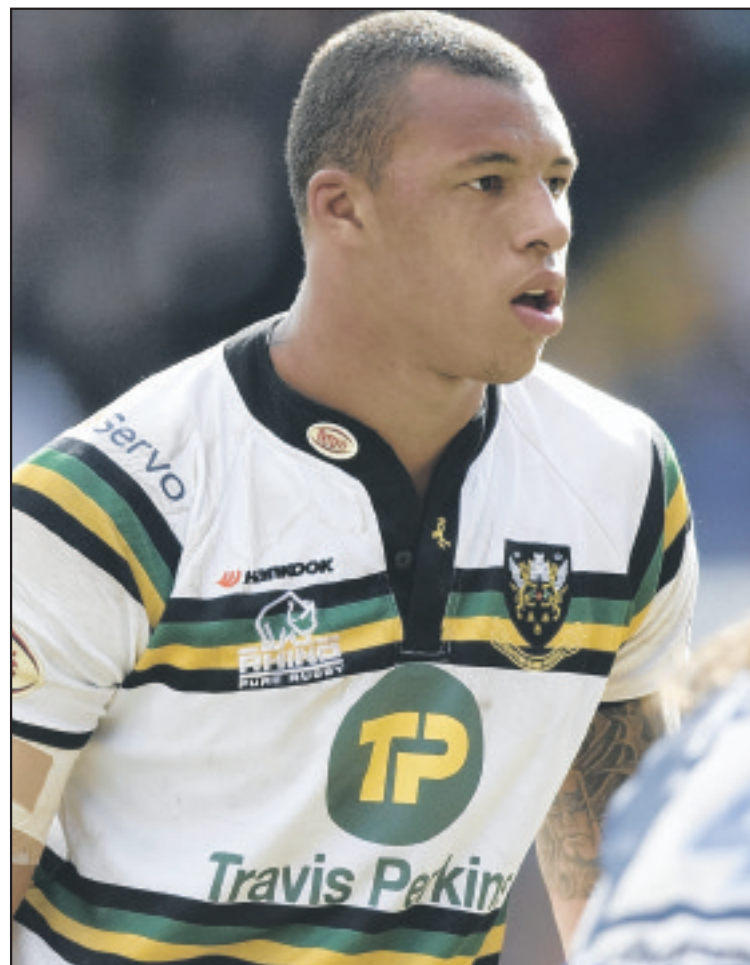

"We've got a new training ground as well and it's fantastic, that has helped a lot.

"We've been training on the pitch behind the stadium and if you want to practice passing football it's not really a good pitch for doing that.

"But when we go up to Stowe there are six or seven superb pitches and it just lifts the lads. You can zip it about, there are no bobbles and it makes training even more enjoyable."

The Cobblers, who were 4-2 winners at Morecambe last weekend, are back in action on Saturday when they travel to Torquay United.

# Giant Lawes handed shock England chance

■ BRING ON THE AUSSIES - Saints youngster Courtney Lawes has been named in the England squad to take on Australia, Argentina and New Zealand in the autumn internationals next month.

**HOMEOWN SAINTS** giant Courtney Lawes is the shock selection in England manager Martin Johnson's squad for next month's autumn internationals.

The Old Scouts product only turned 20 in February, and has made just 32 appearances for his hometown club since making his debut in National League One in 2008.

But today he will join up with the cream of England's rugby talent as they prepare to face Australia, Argentina and New Zealand - and he'll have the company of three Saints club-mates to make him feel at home.

Dylan Hartley, Ben Foden and Shane Geraghty were also named in the 32-man Elite Player Squad.

Foden and Geraghty, who were left out of the original EPS squad named by Johnson at the start of the season, replace the injured Olly Morgan and Rikki Flutey respectively, while Lawes steps up in place of Nick Easter.

It's been a meteoric rise through the rugby ranks for 6ft 7in Lawes, who has yet to even make an appearance for the England Saxons, and spent the summer helping England's youngsters to the runners-up spot in the IRB Junior World Championships in Japan.

Geraghty and Foden have both been recalled after being overlooked for the Test side since making sub-

stitute appearances in the Six Nations earlier in the year.

But they are both happy to be back on the radar, and Geraghty, a summer signing from London Irish, said: "I'm delighted to be called up. I was in the Saxons at the start of the season and I'm happy to be in the squad again."

"Hopefully I can be involved. I'm happy with my form, am enjoying my rugby at Northampton."

And Foden added: "I'm happy to be back in the mix. I got a taste of it last season and wanted more and hopefully I can get a starting spot for England."

"You are always disappointed to be involved and then demoted the next season. But you've got to keep your spirits up, play well for your club and get noticed. I think I'm ready to play international rugby."

Former Saints hooker Steve Thompson is also recalled.

Meanwhile, Saints flanker Neil Best has been recalled by Ireland for their November Guinness series against Australia, Fiji and South Africa. But his Franklin's Gardens team-mates James Downey and Roger Wilson have missed out.

Saints are back in Premiership action this Saturday evening when they travel to take on east midlands rivals Leicester at Welford Road. The game kicks-off at 5.30pm and is live on Sky Sports.
